

Press Release-First District Republican Committee-October 17, 2010
Hazleton, PA

By unanimous vote in the September meeting, The First District Republican Committee of Luzerne County has elected to endorse several Republican candidates running for office on November 2nd. Included in that endorsement are Pat Toomey for US Senate, Tom Corbett for Governor, Jim Cawley for Lt. Governor, Lou Barletta for Congress, Stephen A Urban for Senator in the general assembly and Tarah Toohil for State Representative.

The committee was especially excited about the opportunity for two Hazleton area natives to be elected in Lou Barletta for Congress and Tarah Toohil for State Representative.

“Lou Barletta and Tarah Toohil have expressed real concern for the issues of our area – jobs, illegal immigration, lower taxes and less government interference in citizen’s daily lives”, stated Sean Shamany, Chairman of the First District Republican Committee of Luzerne County.

Shamany says “By electing individuals like Lou Barletta and Tarah Toohil, who promote term limits and open forms of government, we will be moving forward in an attempt to have open and honest representation in both Washington and Harrisburg. We need to put a stop to the days of late night votes like Obamacare and self promoting pay raises”

Shamany feels that “Too often our politicians out live their time in office and become somewhat complacent in answering the voters who elected them. Lou Barletta and Tarah Toohil will offer fresh ideas and common sense solutions in an effort to better serve the residents of the Greater Hazleton area”

The First District Republican Committee proudly endorses Pat Toomey for US Senate, Tom Corbett for Governor, Jim Cawley for Lt. Governor, Lou Barletta for Congress, Stephen A Urban for Senator in the general assembly and Tarah Toohil for State Representative.

The First District Republican Committee meets the last Wednesday of each month at Mea's Restaurant in the Markle Building & their annual Red Party Cocktail Bash is scheduled for October 27th at Mea's.
